DRIVING POLICY STATEMENT

Driving and road traffic accidents (RTA's) regularly produce the highest negative statistics in most onshore Oil and Gas operations. **Deep Industries Limited (DIL)** has set itself the objective of reducing the risk of RTA's. Achievement of this goal shall be through the implementation of the following proactive measures:

To ensure that:

- Only qualified drivers holding a valid Indian driving licence shall be allowed to drive company owned or hired vehicles.
- In oil and gas installation where client controls the roads, a valid client's driving permit is required (If applicable).
- Training records for all drivers shall be held at DIL site office.
- All Company and Contractor vehicles are to meet the required Client's safety standards.
- Seat belts shall be worn at all times by all personnel in the vehicle, and the driver is responsible for ensuring that all his passengers are wearing seat belts before the vehicle becomes mobile. The driver is also responsible for ensuring that he and all passengers continue to wear their seat belts until the journey's end.
- Client's journey management practices shall be implemented for Company journeys in the field area and for journeys outside the capital area. The journey management system shall be subject to audits and inspections.
- Daily driver checks are to be implemented prior to setting off, and any serious defects are to be reported and remedied prior to the journey.
- The use of mobile phones by a vehicle driver is prohibited until the vehicle is stopped and parked in a safe location.
- The driver shall ensure that no vehicle occupant smokes in any company vehicle that he is in charge of.
- The use of private vehicles is strictly forbidden. (If applicable , as per Client Policy)
