

## Notice Invitation for Expression of Interest.

### Introduction of Company:-

**Deep Industries Limited** started in the year 1991, with a primary objective of catering the ever increasing demand for Oil and Gas Industry.

Since its inception, Deep Industries Limited has been serving the industry in various segments with the foremost being providing Air & Natural Gas Compressor Services on chartered hire basis, wherein company commands a healthy market position and is also the first company in India to offer such services.

In the year 2006, company successfully diversified itself in providing Workover & Drilling Rig Services on chartered hire basis. Currently, company holds a strong fleet of Onshore Workover & Drilling Rigs ranging from 150 HP TO 1500 HP.

Apart from starting as a Service provider, Deep Industries Limited successfully forayed itself in Exploration and Production segment and having various Onshore Oil and Natural Gas blocks, Coal Bed Methane Blocks awarded under different rounds of NELP and CBM bidding.

After successful run in Exploration and Production Business in India, Deep Industries Limited has also been awarded One (1) Onshore Coal Bed Methane Block in Indonesia

The Company has grown up to be a "One Stop Solution" provider for every need in Oil and Gas field operations by catering various equipment and services under rental and chartered-hire basis
