

EXPRESSION OF INTEREST

We are, a public limited company, engaged in engineering services in petroleum sector across various locations in India. We intend to engage an agency for managing entire operations of our central engineering stores located at Sanand and Mahij near Ahmedabad. The agency is required to identify and tag, store/stack items properly in the premises, manage all incoming-outgoing materials, QC and Inventory. Interested agency is requested to submit detailed credentials along with last 3 years balance sheets, manpower strength, details of similar jobs carried out and testimonials of reputed clients latest by 15th June, 2022.

EOI may be mailed to info@deepindustries.com.
