

TRAINING POLICY

Deep Industries Limited (DIL) is dedicated to prevent any work related incidents by ensuring that:

- Training of the employees and contractual workers should be imparted as per the competency requirement.
- The training need is to be identified in the installation level and submitted to the training coordinator of well services.
- For the training of the contractual employees the respective contractor is to arrange the training as per the terms and conditions of the contract.
- Records and documents related to the training should be available in the installation.
- Training Matrix record is to be maintained, updated regularly and reported to the management.

The company will ensure that adequate resources are provided to support this policy and seek continuous improvement in performance and competency of its employees.
